## **Kfir Bar & Orr Zwebner Visit UHH**

**January 26-29, 2026**

Kfir Bar and Orr Zwebner from the Intellexus team at RUNI visited the UHH team for a working visit from January 26–29, 2026. The main goals of the visit were to enhance the RUNI–UHH collaboration on the development of various computational tools. In particular, the working sessions focused on (1) the development of an AI-Based Computational History of Ideas, and (2) final preparations for the upcoming Annual Nexus 2026 (February 09–12, 2025).

### Participants:

Kfir Bar, Orr Zwebner, Orna Almogi, Dorji Wangchuk, Nicola Bajetta, Sonam Choden, Sonam Jamtsho, Rebecca Sundén, Jingyi Yang, Andrea Cornelius.
